Dear Sirs,-

I have a son entering Toronto University, registering in Arts at Victoria College, who cannot get into residence there because all three halls are being occupied by ~~the~~ Military men.

Someone has suggested that perhaps he could get a room, single preferred, in the residence in connection with VARSITY. If you can be gracious enough to provide one, I would be greatly obliged if you would have me sent terms, etc.

In the meantime thanking you.

Very truly yours.

My son is not of military age or he would join my two sons at the front

Dear Sir:

In the absence of President Falconer I beg to state that our University College Residences are being used by the Royal Flying Corps and the Provisional School of Infantry, and as far as we at present know they will be used by the military authorities for the winter.

I would suggest that you try the Residence at Knox College. It is conveniently situated on the campus and is new, but you could find out if it is filled by writing to Principal Gandier.

Yours very truly,

President's Secretary.
